990	890	2040	2090
1100	1000	2040	2090

As standard doors are supplied a tubular, silicone rubber seal that is bonded into the frame rebate which, combined with the threshold, ensures accurate sealing of the door/frame gap.

Doors are available in both left hand and right hand hinging.

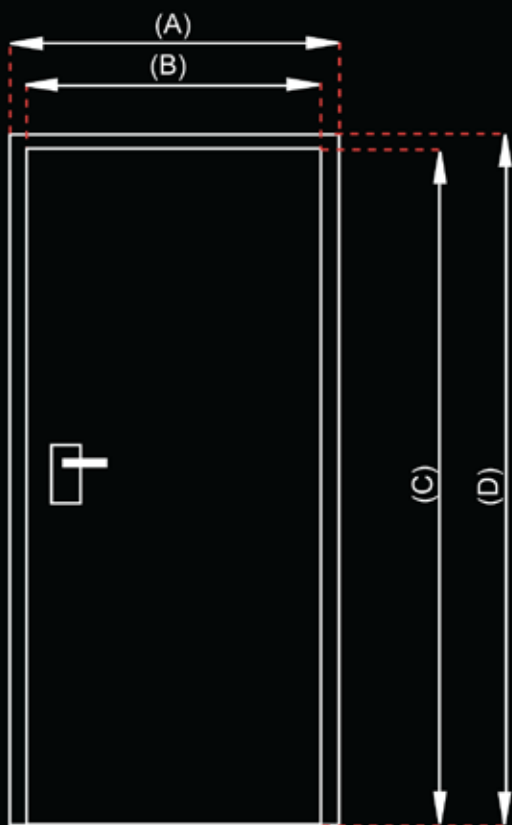

At Fleming Doors, we take pride in providing the benchmark in quality, service and security in our industry.

for a FREE quotation please contact our sale and marketing team.
